Eagle Scout Service Project Suggestions

July 3, 2017

While a Life Scout, plan, develop, and give leadership to others in a service project helpful to any religious institution, any school, or your community.

Eagle Scout Requirement #5, Boy Scout Handbook

Purpose

This document is intended for Eagle Candidates and should be provided to them by the Eagle Board Chair during the review of their Eagle Project Proposal.

Performing the Eagle Scout Service Project

- ☑ You are the leader of this project. Although it is acceptable to seek guidance from others, do not let others, especially adults, lead your project. You should, however, be flexible in order to accommodate any unexpected changes.
- ☑ It is very important that you complete this project to the satisfaction of your Beneficiary.
- ☑ Remember that you are a representative of the Boy Scouts of America. The image that you project will reflect not only on you and your unit, but also on our council and the Boy Scouts of America, as a whole.

Eagle Scout Service Project Proposal

- ☑ Please refer to instructions at the District's Project Guidelines document, the Eagle Scout Service Project Workbook No. 512-927, and the section entitled The Eagle Scout Rank of the BSA Guide to Advancement.
- ☑ Complete a Financing Application as required. Understand that fundraising cannot begin until the application has been approved.

After approval of the Project Proposal

Eagle Scout Service Project Plan

- ☑ Read the entire Eagle Scout Service Project Workbook to understand and complete the Project Plan is highly recommended for use. You will quickly see that it is already structured with sections, which, when completed, will be a great tool to help you complete your project.
- ☑ Share the Project Plan to obtain feedback from your Beneficiary and Unit Leader. If the Candidate has an Eagle Mentor, or registered Eagle Project Coach it is encouraged to share and obtain their feedback as well.
- ☑ Highly encouraged to present plan to Eagle Board Chair during presentation of the proposal for approval. The Candidate is highly encouraged to obtain feedback from the Eagle Board Chair on their plan.

Expectations for Return for Eagle Board of Review

- ☑ Because the Service Project is the most visible part of your Trail to Eagle, the Eagle Board of Review will want to know how you were able to plan and give leadership throughout your Eagle Scout Service Project. You can help streamline this process by making sure to complete the entire Eagle Project Workbook and supplying all necessary documentation, including changes, photographs, etc.
